Supervisor Antonovich made the following statement:

“Since 1989, the Department of Health Services has had an agreement with the Child Development Consortium of Los Angeles (CDCLA) to provide child care services on the premises on Olive View-UCLA Medical Center. This is a no-cost space use agreement that allows CDCLA to operate a self-supporting day care center for children of employees at the facility. The continued availability of these services is extremely important to the Olive View work force.”

Therefore, on motion of Supervisor Antonovich, seconded by Supervisor Molina, unanimously carried, the Director of Health Services was authorized to execute a no-cost space use agreement with Child Development Consortium of Los Angeles for the continued provision of child care services for employees of the Olive View-UCLA Medical Center during Fiscal Year 2003-04.
